Jonah's Journey

"Go to Nineveh" God told Jonah,
"I have a message for the people there."
But Jonah disobeyed the Lord
and ran away fleeing to Tarshish
on a ship.

The Lord hurled a great
wind and storm on the
sea, the sailors were
afraid, they cried
out to their gods.

Jonah prayed to the
Lord his God then said:
"Throw me into the
sea. It's my fault that
God has sent this
storm."

As Jonah sank
into the waves God
sent a great fish
to swallow him.

Three days and
nights Jonah lay in
the belly of the fish.
He cried out to God
and his prayer was
heard. God spoke
to the fish and it
spat Jonah out
onto dry land
God again
told Jonah
to go to
Nineveh,
and this
time he
went!

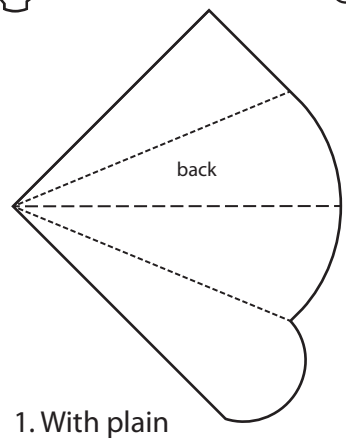
TO MAKE JONAH AND THE FISH

*The help of an **adult** may be needed when cutting and assembling*

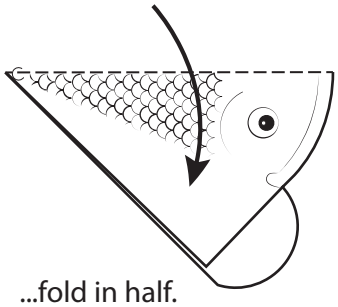
Print out the fish (page 1) onto thin card or heavy weight paper.
(160 + gsm copy card is suitable)

N.B. The fish can be printed onto **white** card for colouring in **OR** print onto **colored** card (e.g. blue or green) for coloring in using lighter shade colored pencils.
If using colored card for the fish you may want to print Jonah (page 2) onto white card

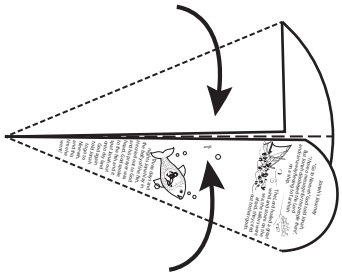
TO MAKE THE FISH: Cut out the fish body, fins and tail color in then...



1. With plain side (back/inside) facing...

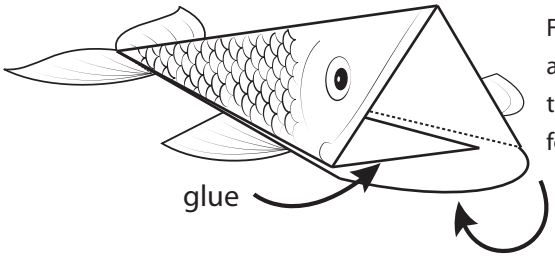


...fold in half.

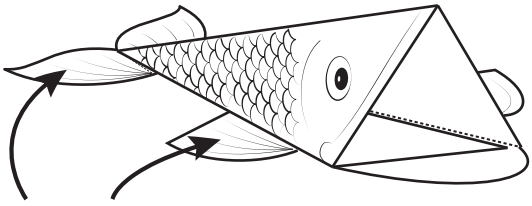


2. Open out again then fold both edges into the center along the first/centre fold line.

3. Open out again. With top/printed side facing put glue onto the base triangle marked '**glue**' then stick onto the back of the other base triangle (with the text on).



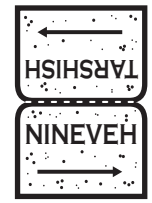
Fold under and stick together to form base



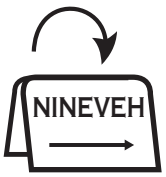
4. Glue on fins and tail where marked.

Cut out the Jonah piece and color in.

Fold in half with the back (plain) sides facing then fold the other way along the dotted lines by Jonah's feet.
Add a small spot of glue to the inside of the head and stick together.



Cut out the sign, color in then fold in half



TIP

To make folding easier either score the fold lines first before folding or place a ruler along the fold lines, fold the card up along the ruler edge before folding down.

As some pages have images close to the edge make sure your printer is set to the correct paper size or reduce the image size by a few % or select 'fit to page'.
